Eligibility

	Medical stream	Engineering stream
Qualification	12th pass in 'previous academic year' or 'Current academic year' with Physics, Chemistry and Biology with at least 60% marks.	12th pass in 'previous academic year' or 'Current academic year' with Physics, Chemistry and Mathematics with at least 60% marks.

Admission Test

1. There will be objective type questions with four options having single correct answer. For each incorrect response, one fourth of the total marks allotted to the question would be deducted. More than one answer indicated against a question will be an incorrect response and will be negatively marked.
2. The admission test will have 30 questions each in Physics, Chemistry and Mathematics for Engineering Stream, 45 questions each in Physics, Chemistry and 90 questions in Biology for Medical Stream.

Note: Candidates shortlisted for interview or even selected for Admission will automatically stand disqualified if they fail to get minimum of 60% marks in their Class 12 Examination.
